Response to your Official Information Act Request

Thank you for your email of 29 April 2024 requesting the following under the Official Information Act 1982 (the Act):

Total remuneration positions between \$95k and \$100k

On 30 April 2024, we sought clarification that your request was for the headcount of staff that Aroturuki Tamariki employs whose total remuneration (total salary package including entitlements such as KiwiSaver) falls within the specified range.

You added:

Would it be possible to do a list including entitlements and one just doing salary?

If also possible, job titles included would be appreciated.

There are five employees working for Aroturuki Tamariki whose total remuneration falls within the \$95,000 to \$100,000 range; this includes any employee KiwiSaver contribution. One employee receives a first aid allowance as a designated first aid attendant who holds a current first aid certificate, which is an annual payment of \$330. The roles of the staff members within this pay range are Senior Monitors and Senior Analyst Data & Insights.

You have the right to seek an investigation and review by the Office of the Ombudsman of decisions to withhold information relating to this request, in accordance with section 28(3)

of the Act. The relevant details can be found on their website at:

www.ombudsman.parliament.nz.

Please note that due to the public interest in our work, Aroturuki Tamariki publishes responses to requests for official information on our [OIA responses page](#). If you have any queries about this, please feel free to contact us on info@aroturuki.govt.nz.
